Murray's Chicken is 100% natural chicken with no pump, Certified Humane, Antibiotic Free, Vegetarian Fed, Family Farmed, and gluten free. They also feature an Eco-friendly packaging.

Murray's Chicken is sold through a number of distributors. For more information on how to get their products please visit their website at www.murrayschicken.com or call the company directly at 1-800-588-5051.

I would love to be notified once the products are brought in. My name is _____ and my phone number is _____.
